

# *Science Institute Day at Fermilab*

Friday, February 27, 2004  
8:15 AM to 3:00 PM

*Join distinguished scientists and  
educators for a day of cutting-edge  
science and science education.*

*[www-ed.fnal.gov/institute/](http://www-ed.fnal.gov/institute/)*

△ Hear keynote speaker Craig Venter, president of the Center for the Advancement of Genomics and founder of Celera Genomics, the company that won the race to decode the human genome.

△ Grade 6-12 Teachers: A physicist, a chemist, and a biologist will describe their contributions to the human genome project, and how integration among the sciences influenced their work.

△ Grade K-8 Teachers: Leading resource providers and teachers will showcase the latest innovations in science education materials and techniques.

**Information & Registration:** [www-ed.fnal.gov/institute/](http://www-ed.fnal.gov/institute/)  
Questions? Contact Nancy Lanning ☎ 630-840-5588 ✉ [lanning@fnal.gov](mailto:lanning@fnal.gov)  
Registration Fee: \$10 (includes box lunch)
