

Physics of Accelerators and Related Technology for International Students - PARTI 2016

Fermi National Accelerator Laboratory (located near Chicago, IL, USA) opens registration for the summer program Internship in Physics of Accelerators and Related Technology for International students (PARTI). This internship program has been developed to familiarize selected university students with opportunities at the frontier of scientific research in physics and technology of particle accelerators. The 2016 program will accept only students from the universities of Europe. Deadline for applications is January, 11th, 2016. Please see details on PARTI web site.
