

Scout Troop Visitation and Tour Policy

Fourth Grade and Above

Scout groups may visit the bison and the Interpretative Trail without advance notice.

General Information

We encourage visits on school holidays and Saturdays. To register for a badge session, contact Lori Haseltine at 630-840-5588 or lhaselti@fnal.gov. If you have questions about the activities associated with the badges, please contact Maureen Hix at 630-840-5058 or mhix@fnal.gov.

Boy Scouts

To complete the *Nuclear Science* badge, Boy Scouts will be required to complete some prerequisites before attending the two-hour session, instructed by a Fermilab docent. To satisfy one of the requirements of the *Citizenship in the Nation* badge, Boy Scouts may tour the Fermilab facility.

There is a charge of \$60.00 for a group of 4 to 20 scouts for each session.

Webelos

The *Engineer* and *Into the Woods* badges are offered for Webelos. Each badge is completed in a two-hour session, instructed by a Fermilab docent.

There is a charge of \$60.00 for a group of 4 to 20 scouts for each session.

Girl Scouts

The following Girl Scout badges are completed in two-hour sessions, instructed by Fermilab docents:

Sky Search, *Science Sleuth*, *Exploring Science*, and *Explore Engineering*.

There is a charge of \$60.00 for a group of 4 to 20 scouts for each session.

Fermilab patches and pins are available at the Lederman Science Center store.
