

## Winter Scavenger Hunt

What can you find outside?

Sunset

Feather

Plant seeds or fruit

Bird or bird sounds

Mushroom on tree

Animal tracks

Tree with leaves  
or needles

Squirrel

Wind on your face

Directions:

Supplies:

1. You
2. The great outdoors

For this fun outdoor science activity you will print out the nature scavenger hunt sheet. If you don't have access to a printer, you can write down the items to find/experience. Take your activity sheet outside and try to find each of the things listed on the sheet. Circle each one you find. Can you find them all? Good luck and have fun!

To find out more about the outdoor experience, including nature and ecology, at Fermilab, visit <https://ecology.fnal.gov/>.
